Spring Clean in School Garden/ Outside Areas

We are very fortunate to have beautiful green areas in school and a lovely garden area. However, these areas need a general “tidy up” and refresh, and we would really appreciate any help you might be able to offer.

We have a brilliant group of pupils in our Eco Committee, led by Mrs Donnelly, who are looking forward to making improvements in our outdoor environment this term. If you would like to help in any way, please contact the school and speak to Mrs McIntyre or Mrs Donnelly.

Some ways you can help:

- Assistance with watering, weeding and planting in the garden
- Assisting teachers in garden-based classes/ workshops
- Sharing your garden knowledge with pupils and teachers
- Helping to look after the existing plants
- Repainting the wooden playhouse/ benches.

We would deeply appreciate donations of supplies for the garden including hand shovels, buckets, watering cans, seeds, plants and work gloves for children.
