Dear Parents/ Guardians,

As we begin this New Year, we are again faced with another period of school closure. We have evaluated the period of Remote Learning from last year and taken on board the feedback you gave in your parental survey at the end of the last lockdown period, and we hope that the learning during the next weeks will be accessible and engaging for all.

Please do not hesitate to contact me if you are having any problems or need additional support in any way.

Mrs Ciara McIntyre (Principal)

Dear God,

Thank you that you make all things new.

Thank you for all that you've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need you and rely on your presence filling us every single day.

We pray for your Spirit to lead us each step of this New Year

Amen

We had an amazing response to our Lissan Community Christmas Appeal. You and your families raised over £1000 in cash and vouchers. We were overwhelmed by the amount of food, gifts and toys sent into school and we were able to make hampers for over 40 local families.

Thank you again for your kindness.

I would like to extend our sincere thanks to Kelley and all the team at LLC for the hard work and support!!

Together we learn, grow and play in God's love and care.

We have just completed our first full week of Remote Learning. We are delighted with the level of engagement and standard of work being completed by the majority of children.

I would like to take this opportunity to say “Thank You” to all our parents for your continued hard work. I am sure, like myself, you might be finding “Home Schooling” quite a challenge! It is such a strange time for all our children, and we also have the added worries about the safety and wellbeing of our families and friends. Many of you are continuing to work as well as home school!

We are all missing our grandparents, aunts and uncles, and extended families and this can create even more pressure at home. Please remember that you can only do your best. You know your children better than anyone, you know when they need a break, and when its more important that they are running around outside in the fresh air (despite the weather!)

If you have any concerns, or suggestions on how we could improve this experience, please do not hesitate to contact me on cmcintyre695@c2kni.net

Together we learn, grow and play in God's love and care.
