Dear Parent / Guardian

As you may be aware, heavy snow has been forecast.

Although we hope it does not become necessary to close the school due to snow, but please check the school website tomorrow morning before leaving home.

Whilst we will endeavour to update the website as early as possible, we will be relying on information being relayed to us by Staff and the Education Authority.

We would also request that you 'keep an eye' on the website and your mobile phone throughout the day for any further updates.

If you have not as yet signed up for the mobile phone/school app from the school website, we would strongly encourage you to do so this evening.

We thank you for your support and patience.

Yours faithfully

Mr Brian Herron
