☐ Free School Meals

☐ Will I receive help with free school meals now that my children are not able to attend school?

The Education Authority has been working with the Department of Education to explore options for making payment to families who are entitled to free school meals. If your child/children currently receive(s) free school meals a payment will be made directly into your last known bank account.

IMPORTANT: If your bank account details have changed in the last 12 months, please see below for details of how to update this.

☐ When will I receive my first payment?

☐ How much will I receive and how often?

☐ My home address and/or bank details has changed in the last year. How can I update these details?

☐ I have recently lost my job or my circumstances have changed. Can I receive help with free school meals?
